

Time	Title
09:00-09:30	<b>Registration and coffee/biscuits</b>
09:30-09:35	<b>Welcome to the ECI</b> Prof. Jim Hall (Director of the ECI and iMAP co lead)
09:35-09:45	<b>Overview of the iMAP initiative and aims for the day</b> Paul Sayers (iMAP co-lead)
09:45-10:15	<b>An end users and funders perspective: Why is iMAP different?</b> <ul style="list-style-type: none"> <li>An Environment Agency Perspective on iMAP: Dr Andy Moores (Environment Agency)</li> </ul>
10:15-10:45	<b>The major science challenges to be addressed in iMAP (as currently identified!)</b> <ul style="list-style-type: none"> <li>Overview (Paul, 10mins)</li> <li>Plenary discussion #1 – What is missing, what should be excluded and included (all, 20mins)</li> </ul>
<b>Coffee</b>	
11:00-12:00	<b>Group discussions #1 - Transforming our understanding of infrastructure performance under conditions of change</b> <ul style="list-style-type: none"> <li>Setting the scene and introduction (Jim, 5mins)</li> <li>Group discussion to identify research challenges (all, 25mins)</li> <li>Rapporteurs (15mins)</li> <li>Plenary discussion to identify key areas to take forward (all, 15mins)</li> </ul>
12:00-13:00	<b>Group discussions #2 - Disrupting design practice - Adaptive and resilient</b> <ul style="list-style-type: none"> <li>Setting the scene and introduction (Paul, 5mins)</li> <li>Group discussion to identify research challenges (all, 25mins)</li> <li>Rapporteurs (15mins)</li> <li>Plenary discussion to identify (all, 15mins)</li> </ul>
<b>Lunch – buffet</b>	
13:30-14:30	<b>Group discussions #3 - Making better infrastructure investment choices at multi-scales</b> <ul style="list-style-type: none"> <li>Setting the scene and introduction (Jim, 5mins)</li> <li>Group discussion to identify research challenges (all, 25mins)</li> <li>Rapporteurs (15mins)</li> <li>Plenary discussion to identify (all, 15mins)</li> </ul>
14:30-15:30	<b>Group discussions #4 - Transforming real-time infrastructure management and flood forecasts</b> <ul style="list-style-type: none"> <li>Setting the scene and introduction (Paul, 5mins)</li> <li>Group discussion to identify research challenges (all, 25mins)</li> <li>Rapporteurs (15mins)</li> <li>Plenary discussion to identify (all, 15mins)</li> </ul>
<b>Tea</b>	
15:45-16:05	<b>Plenary discussion #2 – What is missing, what should be excluded and included (all – 20mins)</b>
16:05-16:30	Summing up and next steps <b>Reflections on the day</b> <ul style="list-style-type: none"> <li>An agency perspective (Andy)</li> <li>An iMAP research team perspective (Paul and Jim)</li> </ul> <b>Next steps (Paul)</b>

## Attendees

Name and affiliation
Martin Smith: University of Nottingham
Rob Nicholls: University of Southampton
Maurice McCabe: University of Manchester
Stacy Sharman: Defra
Steve Wade: Met Office
Huapeng Chen: University of Greenwich
David Sear: University of Southampton
Rob Lamb: JBA Consulting
Jaap Flikweert: RHDHV
Mike Cowling: Crown Estate
Richard Dawson: Newcastle University
Harshinie Karunarathna: Swansea University
Riccardo Bringanti: Nottingham University
Nigel Wright: University of Leeds
Ivan Haigh: University of Southampton
James Shucksmith: University of Sheffield
Reza Ahmadian: University of Cardiff
John Hillier: Loughborough University
Andrew Plater: Liverpool University
Jackie Banks: Environment Agency
Ian Pattison: Loughborough Univeristy
Christain Beck: Queen Mary University London
David Thomas: IDB
Simon McCarthy: Middlesex University
Richard Ashley: University of Sheffield
Jonathan Simm: HR Wallingford
Nick Mount: Nottingham University
Zoran Kapelan: Exeter University
Paul Sayers: Sayers and Partners / University of Oxford
Jim Hall: University of Oxford
Andy Moores: Environment Agency
Owen Tarrant: Environment Agency
Garry Pender: Heriot-Watt University
John Gillard: NERC
Ed Morris: CM2Hill
Ino Kremezi: Environment Agency
Owen Jenkins: CIRIA
Edmund Penning-Rowell: Oxford and FHRC
